

CROSSROADS DAYCARE

PARENT NEWS

AUGUST 2021 | NEWSLETTER

-BUZZWORTHY-

This is an exciting time of year for Crossroads Daycare!! Not only do we get to celebrate 3 years of our daycare being open, we also get to celebrate the growth that has already happened in your children and the hope of the growth yet to come. And, as Crossroads Daycare enters its 4th year of existence, we are praying that God will pour out his blessings on our facility in ways we cannot even imagine!! One of the blessings He has already given us is Jennifer Hahn, the only person on our staff that has been here from the very beginning.

Jenn is our lead teacher in the 4's/5's room and spends countless hours planning and prepping for her classes. She goes above and beyond to make her classroom one of inclusion, stimulation, and fun every day. It is evident the children in her class and their education is her top priority. Not only that, but she will also be completing her Child Development Associate (CDA) credentials in just a few short weeks. She shines as a model of commitment, dedication, and personal growth. If you don't know this wonderful lady, make it a point to get to know her!

Crossroads will be participating in 21 days of Prayer and Fasting beginning August 9th. Now more than ever, Crossroads Church would love to lift your family up in prayer. There will be prayer request cards available at the check-in table. Just fill one out and drop it in the basket.

-REMINDERS-

On Monday, August 2, Crossroads Daycare will allow parents/guardians to drop off and pick up their children at the classrooms. To gain access to our hall-ways, you will need to use your 4-digit pin followed by #. Teachers will be checking your children in using the iPads in the rooms.

Crossroads Daycare Picture Day is happening August 3rd and August 4th. There will be instructions on how to order pictures via Sandbox.
